“ To the whole Fisher family, I am so sorry to hear about George. I have not been by to see George and Faye in several years which is my loss. I spent many hours during my teens with Roger and his family, even worked for George for a short time. All my love.

“ Uncle George is one of the kindest man I know. He was a hard worker and was one of a kind. He loved his family dearly and I know he will be greatly missed. He was my Daddy's Brother and my Uncle which I look forward to the day I will see you again.

To the family: I pray God will give you grace to get through the day's ahead. You are not alone, God is with you each step you take.

“ On behalf of Myself and a Lot of friends who don't have a computer we send our condolences to the family. We worked for and with George for Many years in the Mill. He was a very kind hearted Man. We thoroughly enjoyed working for him. When he asked you to do something different for him you just couldn't turn him down. Although we hadn't seen him in years he'll always be remembered. We all know how hard it is to say good bye to a loved one. We'll all be praying for God to give you the strength to get through this hard time. Cindy Wilkerson Eckrote
